Fill In All Required Fields!

Test Case 3: Trying to signup with password not the same

Precondition: Clicked Sign Up

The screenshot shows a mobile app interface for signing up. At the top, the status bar displays the time 1:24, signal strength, Wi-Fi, and battery icons. The app has an orange background. A blue star icon labeled 'SignUp' is in the bottom left, and a grey diamond icon labeled 'Example' is in the bottom right. The form consists of several white input fields with orange borders. The 'EMAIL' field contains 'apple@gmail.com'. The 'PASSWORD' section has two fields: the top one contains '12345' and the bottom one contains '1234'. The 'FIRST NAME AND LAST NAME' section has two fields: 'Steve' and 'Jobs'. The 'CWID' field contains '999999999'. The 'PHONE NUMBER' field contains 'Optional' in green text. Below the form, a white button labeled 'Create Account' is visible. At the bottom of the form, a white box contains the error message 'Password is not the same in both areas!'.
